Assistant Commissioner
for Patents
Washington, D.C. 20231

Sir:

Maxon Corporation, an Indiana corporation, hereby certifies that it is the assignee
of the entire right, title, and interest in the patent application identified above by virtue of an
Assignment from Curtis L. Taylor, the inventor of said patent application, which is recorded
December 8, 1993 on Reel 6803, Frame 0653. A copy of the Assignment is attached.

The undersigned has reviewed all of the documents in the chain of title of the
patent application identified above and, to the best of the undersigned's knowledge and belief, title

is in Maxon Corporation. The undersigned, whose title is supplied below, is empowered to act on behalf of Maxon Corporation

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
